

- **Modern Design**
- **Silent 120mm fan installed at the back**
- **Ergonomically positioned front interfaces**
- **Screwless HDD and ODD installation**
- **Patented adjustable graphic card holder**

The new LF-02B-OP meets all the requirements of a modern PC case. A super fast **USB 3.0** enables easy data transfer with maximal performance. Patented graphic card holder will surprise you with its smart solution. Not only you can adjust it to any graphic card length, but it helps to cool it down thanks to optional fan which can be installed in front of it.
